CHURCHES OF CHRIST, SCIENTIST "Christ Jesus" is the subject of the Lesson-Sermon, Sunday, March 1, in all Christian Science Churches, branches of The Mother Church, First Church of Christ, Scientist, in Boston, Mass.

One of the Scripture selections presents these verses from the Gospel of Matthew: "And when Jesus was come into Peter's house, he saw his wife's mother laid, and sick of a fever. And he touched her hand, and the fever left her: and she arose, and ministered unto them. When the even was come, they brought unto him many that were possessed with devils: and he cast out the spirits with his word, and healed all that were sick." A correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "It is possible, yes, it is the duty and privilege of every child, man, and woman, to follow in some degree the example of the Master by the demonstration of Truth and Life, of health and holiness. . . . Hear these imperative commands: 'Be ye therefore perfect, even as your Father which is in heaven is perfect' . . . 'Heal the sick!'"

Women Motorists Should Enroll in New Auto Course

Ladies, what would you do if the wheel-base of your car was flooded? That's a question which may or may not be answered during the course of Automobile Operation and Up-keep which is starting March 1st at 7 o'clock at the Torrance Evening High school-for ladies only!

The course will last six weeks and will enable a woman to understand what makes the car go and how to get the best results. According to Principal Guy L. Mowry, there will be no greasy work connected with the class and the women of Torrance may attend in ordinary street dress. There is nothing to buy and nothing to pay for the course. Enrollments are being taken now at the High school for the course. If there are not enough women interested the instruction will not be started here, but Principal Mowry believes there are a large number of women motorists in Torrance and vicinity who would like to know "what makes it go," and therefore he is expecting a capacity registration.

Social Welcome to Church Members

Tonight, Thursday, the official board of the First Methodist church will welcome the 48 new members that the pastor has received during the last three months into the life of the church. The officials of the church and the new members will launch a great campaign during Lent for more members for the church.

The officials of the church publicly invite all those who worship with the church, friends, members and those who expect to unite Easter to meet in the church.

CHURCH OF THE NAZARENE J. W. Amin, pastor. At the Old American Legion Hall Sunday school and preaching service at the usual hour with Rev. J. T. Little, of Pasadena, district superintendent of the church, in charge. All are welcome.

CHEVROLET

The New Chevrolet Six Coupe—Product of General Motors

72% of all Chevrolets are still in use

During the past 20 years the American public has purchased 4,883,865 Chevrolet cars. Seventy-two per cent of these—3,511,651—are still in active service! Such a record demonstrates the soundness of Chevrolet's policy of building the very best car possible for the price. This policy has brought many important benefits to the buyers of low-priced cars, and these benefits find even fuller and finer expression in the Chevrolet Six of today.
